1. Introduction

This Privacy Commitment is applicable to personal information and sensitive personal data or information, including information that is of a confidential nature ("Customer Information") belonging to the customers, potential customers, and other users of the Services ("Customer(s)" or "you") of Odisha Grameen Bank (collectively, "Odisha Grameen Bank", "we", "our", or "us"). In the course of using this website, mobile applications, or its custom extensions, or availing products and services via online or offline platforms including bank branches, other points of sales, third party platforms, or through communications, by electronic means or otherwise, or any other mode/platform communicated/introduced by Odisha Grameen Bank from time to time (collectively, the "Services"), Odisha Grameen Bank may collect, receive, possess, store, use, deal, handle, transfer, retain and otherwise process Customer Information. By using or otherwise accessing our Services, you confirm that you have read and agreed to be bound by this Privacy Commitment and consent to the collection, receipt, possession, storage, usage, dealing with, handling, processing, transfer and retention of your Customer Information by Odisha Grameen Bank as described in this Privacy Commitment. Odisha Grameen Bank is strongly committed to protecting the privacy of its Customers and has taken all necessary and reasonable measures to protect the confidentiality of the Customer Information and its transmission.

2. Customer Information

Customer Information includes, without limitation, the following categories of personal data/sensitive personal data that we may collect, receive, possess, store, use, deal, handle, transfer, and otherwise process as per applicable laws: a. Data about you: This may include, without limitation, your name, signature, email addresses, phone numbers, addresses, KYC/identity documents (for example: Aadhaar and PAN), biometric data, communications with us, device and location data, information about how you use our Services, etc. b. Financial data: This includes, without limitation, information about your bank account details, financial information, payment, transaction data, loan details such as amounts, lending history, and repayments, credit history and income details. c. Marketing and communications data: This includes, without limitation, your preferences relating to receiving marketing messages from us and our service providers, and your communication preferences. You must ensure that all Customer Information that you provide us with is accurate, up-to-date, and true. You will be responsible for any errors, discrepancies, or inaccuracies in the Customer Information you share with us, except for such Customer Information that has been verified through KYC processes set out by applicable law and backed by documentary proof. When you use our Services, we make best efforts to provide you with the ability to access and correct, accurate or efficient Customer Information, subject to any legal requirement.

3. Collection of Customer Information

We are required to collect Customer Information to provide you with the Services, to comply with our contractual obligations and applicable law. If you do not wish to provide such Customer Information as and when requested by us, it will diminish our ability to perform our obligations under the arrangement we have with you or are trying to enter into with you (for example, to provide you with features of the Services). And consequently, we may be constrained to cancel or limit your access to the Services (or part thereof).

We use different methods to collect Customer Information about you, including, without limitation, through:

a. **Direct interactions:** This includes Customer Information you consent to give us when you use our Services or when you interact with us, including, without limitation, when you:

- i. Create an account with us;
- ii. Use the Services or carry out other activities in connection with the Services;
- iii. Consent to receiving marketing communications; or
- iv. Report a problem with the Services, give us feedback, or contact us.

b. Automated technologies or interactions: When you use the Services, we may automatically collect data about your equipment, browsing actions, and patterns. We collect this data by using cookies, web beacons, pixel tags, server logs, and other similar technologies. We may also receive such data about you if you visit other websites that use our cookies.

c. Third parties or publicly available sources: We receive Customer Information from publicly available sources as well as various third parties, such as our service providers, credit bureaus, partners, alliance partners, group companies, agents, affiliates and government portals.

4. Cookies

A cookie is a piece of data stored on the user's computer tied to information about the user. We may use both session ID cookies and persistent cookies. For session ID cookies, once you close your browser or log out, the cookie terminates and is erased. A persistent cookie is a small text file stored on your computer's hard drive for an extended period of time. Session ID cookies may be used by PRP to track user preferences while the user is visiting the website. They also help to minimize load times and save on server processing. Persistent cookies may be used by PRP to store whether, for example, you want your password remembered or not, and other information. Cookies used on the PRP website do not contain personally identifiable information.

5. Use of Customer Information

We will only use your Customer Information as permitted under applicable law or pursuant to contractual obligations. Most commonly, we will use your Customer Information to perform the Services or to comply with a legal/contractual obligation. We use your Customer Information with implicit consent, for the following purposes:

- a. To verify your identity to register you as a Customer, and create and operate your account(s) with us;
- b. To provide the Services to you;

- c. To process payments made through our Services;
- d. To comply with legal obligations;
- e. To administer and protect our business and the Services, including for troubleshooting, data analysis, system testing, and performing internal operations;
- f. For risk control, fraud detection, and prevention;
- g. To perform our obligations that arise out of the arrangement we are about to enter or have entered with you;
- h. To respond to court orders, establish or exercise our legal rights, or defend ourselves against legal claims;
- i. To improve customer service to effectively respond to your service requests and support needs;
- j. To improve the functionality of our Services based on the information and feedback we receive from you;
- k. To send notifications to manage our relationship with you including to notify you of changes to our Services, send you information and updates pertaining to the Services you have availed, and to receive occasional company news and updates related to us or the Services;
- l. To monitor trends and personalise your experience;
- m. To market and advertise the Services to you;
- n. To improve our business; and

6. Disclosure of Customer Information

Odisha Grameen Bank undertakes not to disclose Customer Information to any person, unless such action is necessary to:

- a. offer and provide our Services, including for the purposes set out in Section 5 above;
- b. conform to legal requirements or comply with legal process;
- c. protect or defend Odisha Grameen Bank's or its affiliates or group companies' rights, interests or property;
- d. enforce the terms and conditions of the Services; or
- e. protect the interests of Odisha Grameen Bank, its affiliates, group companies, members, constituents, or of other persons

Odisha Grameen Bank will limit the collection and use of Customer Information to a need-to-know basis to deliver better service to Customers. Odisha Grameen Bank may share or store with, and otherwise transfer Customer Information to third parties (including our affiliates, group companies, successors, service providers, vendors and partners), by taking explicit and implicit consent subject to suitable confidentiality obligations, and in accordance with contractual terms, applicable laws and our instructions, in order to render the Services to you and to enable us to provide you information about the Services. Such third parties may include, but not be limited to, service professionals, vendors, social media companies, third-party service providers, storage providers, data analytics providers, consultants, and lawyers. These third parties shall use the Customer Information only for the above mentioned

purposes or as per contractual obligations. Odisha Grameen Bank may exchange, transfer or share all or a part of Customer Information with its affiliates, group companies, governmental agencies, and any third parties as may be required by applicable law, or for credit reporting, statistical analysis, credit scoring, verification, or risk management processes, and the Customer shall not hold Odisha Grameen Bank liable for such use or disclosure of this Customer Information.

7. Storage and Transfer of Customer Information

Odisha Grameen Bank complies with applicable laws/internal policies in respect of the storage and transfer of Customer Information within India only. We ensure that any recipients of Customer Information that we transfer are subject to suitable confidentiality obligations and access to and processing of Customer Information is in accordance with contractual terms, applicable laws, and our instruction.

8. Retention of Customer Information

Odisha Grameen Bank may retain your Customer Information for as long as required to provide you with the Services in accordance with applicable laws and our internal policies, such as managing your account and dealing with any concerns that may arise, or if required for compliance with any legal or regulatory requirements, or for the institution, enforcement, or defence of legal claims. Odisha Grameen Bank may also retain your Customer Information where we need to use it for our business and related purposes, including but not limited to, responding to queries or complaints, fighting fraud and financial crime or pursuant to contractual obligations. If we do not require the retention of Customer Information, we use best efforts to destroy or delete such Customer Information as per our internal policies.

9. Security of Customer Information

Odisha Grameen Bank endeavours to safeguard and ensure the security of the Customer Information using appropriate measures to protect it from unauthorised access, and follow standards prescribed by applicable law. Odisha Grameen Bank uses appropriately secure encryption for the transmission of Customer Information. The Customer is required to cooperate with Odisha Grameen Bank in order to ensure the security of the Customer Information, and it is recommended that the Customer necessarily chooses their passwords carefully such that no unauthorised access is made by a third party. To make the password complex and difficult for others to guess, the Customer should use a combination of alphabets (both small case and capital case), numbers and special characters (like !, @, #, \$, etc.). The Customer should not disclose their password to anyone or keep any written or other record of the password such that a third party could access it.

10. Updates to this Privacy Commitment

Privacy Commitment is subject to change periodically. We may occasionally update this Privacy Commitment. We encourage you to periodically review this Privacy Commitment for the latest information on our privacy practices.
